

## How to Register?

1. Before you go online to register, please make sure that you have the following items:
  - Valid email address
  - Course ID for this course: It is "Lee34644".
  - CourseCompass Student Access Code (This comes with your textbook.)
2. Go to <http://coursecompass.com/>
3. Bookmark this site for easy access. (Add this to your favorite.)
4. Click **Register** under Students.
5. Enter your Access Code, Course ID is Lee34644, Zip Code for ELAC is 91754.
6. If you do not have an Access Code and wish to purchase online,
  - Go to <http://www.mymathlab.com/buying.html/>
  - click **purchasing online access** link
  - Follow the instruction
7. Enter your contact info. Make sure that your email address is **VALID!!**
8. Enter 91754 for the zip code. Enter your academic institution (East Los Angeles College).
9. Enter your **login name** and **password**. Please do not lose them since I can not retrieve them.
10. Print the **Confirmation & Summary** page for future reference.
11. Now you are ready to "login to Course Compass".

.....

## Now you need to install several programs to take the online homework assignment.

- Log in to [coursecompass](http://coursecompass.com/) using the login name and password you created.
- You will see the course **M125(Fall 2010)**. Click the course.
- You will see the **Announcement** page.
- In the Announcement page, click **MyMathLab Installation Wizard**.
- You need to install several programs including **InterAct Math Plug-in, TestGen Plug-in, Adobe Acrobat Reader**(if you did not install it yet), **RealOne Player**, and **Macromedia Flash Player**.
- You must complete the installation procedure, otherwise, you may not be able to see the homework questions.
- If you have trouble installing, don't contact me but contact the Tech Support line: 1-800-677-6337 CST (8am - 5pm. Mon-Fri).
